

The Pilkington **energiKare™** range.  
Points to you meeting Part L 2010.

A few words from our customers:

“ Pilkington **energiKare™** offers a solution to almost any scenario and delivers an optimum price/performance ratio. So when combined with our own window system it's the preferred choice of many Local Authority buyers. ”

**John Whalley,**  
**Managing Director,**  
**Nationwide Windows (UK) Ltd**

“ Pilkington **energiKare™** enhances our own product offering and because it achieves C, B and A ratings it is incredibly versatile, which makes it extremely popular. ”

**David Laing,**  
**Managing Director,**  
**Cleartherm**

“ Homeowners are becoming increasingly aware of the importance of having energy rated products fitted in their homes. At Tradesmith, we are determined to be at the forefront of the window industry, offering our installers the choice of C,B and A rated products and providing them with a high level of service. Innovations such as Pilkington **energiKare™** will give our customers the edge they need to prosper in challenging times. ”

**Mark Hutchinson,**  
**Managing Director,**  
**Tradesmith**

## The easy way to get a C,B or A WER in a wide range of frames.

Meeting Part L 2010 regulations by achieving your preferred Window Energy Rating (WER) of band C, B or A is easier than you may think thanks to the Pilkington **energiKare™** range.

With the high-performance Pilkington **energiKare™** IGU range – which is comprised of Pilkington **K Glass™** or Pilkington **K Glass™** OW and Pilkington **Optiwhite™** – you can meet or exceed the revised regulations, which come into effect from 1st October 2010.

## There are many benefits to being a Pilkington partner.

By becoming a Pilkington **energiKare™** partner you will be able to enjoy a number of real advantages that have been designed to help you through Part L 2010.

- Guidance through the entire WER process
- Online step-by-step guides
- Online WER:DIY simulation guide
- Free marketing and sales support materials
- Association with the Pilkington **energiKare™** brand

We are here to help you comply with Part L 2010 in every way we can. That's why our dedicated online Part L hub is packed with information, presentations and downloadable marketing materials – including Bulletins 10 and 11 which summarise the detail of Part L 2010 – all of which we hope you will find invaluable.

It's all free and available now at:
